- Reports

- Data Comms -- AVARA

– Concerns re data training

- Training – Lack of traing records and training outcomes. More training guidance necessary. Changes are taking place. More needs to be followed through.

– Members in regions, probably makes training difficult or impracticle.

Online training to move forward. Training online/Zoom would be highly beneficial.

– Some members of radio clubs would assist if required at events

– New training needs to be developed and implemented. Propose to implement all recommendations in full unless any issues raised.

- Property – Nil

- Membership – **55** Financial Members as at November 2021

– No luck with radio clubs

- Radio – Satellite internet taking over from HF
